ITOBA Stallion Season Fillies H.
This pony didn't finish near the top of the field last out. This magnificent animal ran a nice one last out. A pony coming back this soon after a nice contest is a good signal.

Ivan Calderon's ROI with this horse (+29%) automatically make them a worthy contender. A racer coming back this rapidly after a good contest is a good omen. When Laureano Sosa and Ivan Calderon work together the ROI has been fantastic.

This rider and conditioner's horses have been generating a beneficial ROI. Looked good last time, but no morning blow outs since is a bit troublesome. Caution must be used since bandages were a new feature last outing.

 Didn't finish near the top of the field last race - might have to expect more of the same today. Don't skip by this mare in your bets as Robert M Gorham knows how to get this horse ready. Could be tough to wager on after that last stretch performance.

Nice performance by this mare last time out. This mare is in good condition, having run a nice race last time out. On a nice win streak - can do it again today.

Have to wager on her if she goes off at a price with such a strong power rating. Don't see her as a sure thing after that last dash. Didn't exhibit much courage during the stretch run last time - be cautious with her.

Elijah Greenidge and Rodney C Faulkner haven't been a winning combination lately. Didn't finish near the top of the field last affair - might have to expect the same. This filly's jock hasn't been getting many wins these days.

⚠️ This filly has not run well under Deborah Keiser's training (0% wins). ⚠️ Didn't finish in the top half of the field last race - might have to expect similar results. ⚠️ Tough to bet on this one after the disappointing stretch drive in the last event.
