Have to be leery with animals trained by Emmanuel Tzortzakis right now - on a chilly streak. Hard to play any animal that cannot even win one time in his last ten races. This jock and conditioner's animals have been producing a positive ROI.

Karin Wagner has not recorded strong dividends with this gelding. A horse coming back this quickly after a nice race is a good signal. May have to pass on this animal - conditioner hasn't had the best of luck over the last month.

Trainer Lewis Uriah St has not had much success with this mare (47 starts, 4% wins). Didn't show much intestinal fortitude during the stretch run last time - be cautious with her. This trainer has not produced good gains with entrants moving up in class (50 starts, 2% wins, -96% ROI).

This filly is in fine physical condition, having run a nice race last time out. With a race under her belt, expect an improved performance. This filly should be a good price and has a strong power rating.

Silvestre Gonzalez has the best stats in this group with starters in their first trips to the post (20 starts, 15% wins, +23% ROI). Tread lightly with this animal - connections have been off kilter when teaming up.
Can't bet on this filly with her sire's lack of success with first time starters.

Jamie Ness has strong numbers with this gelding that point to a strong contender. Last event was a strong try. Frankie Pennington's ROI with this horse (+38% ROI) automatically make them a very solid contender.

When this jockey and trainer are put together you have to take a look. This equine's handler hasn't been winning often lately. Finished in the second half of the pack last time - not a great endorsement.

Andy Hernandez and Richard Vega perform well when they work together - strong ROI together. Faltered in the stretch last out - may do the same thing today. Last affair doesn't restore much faith.

Jockey's recent numbers with this gelding (7 starts, 0% wins) need improvement. ⚡ Could be tough to play after that last stretch performance. ⚡ The combination of Julio Correa and Joann Bertone isn't on track recently.

This jock and handler's animals have been producing a positive return on investment. May have to pass on this animal - trainer hasn't had the best of luck recently. Hard to play this mare today - rider's winning percentage as of late has been lackluster.

This jockey is on a bit of a cold streak. Jr James E Nicholson has sharp numbers with this mare that point to a solid contender. May have to let go of this animal - trainer hasn't had the best of luck over the last month.

Trainer Philip T Aristone has this gelding ready to roll. Good team. This gelding faded in the homestretch - not a good omen. This questionable contender didn't finish near the top of the field last race out.
