Have to be leery with animals trained by Emmanuel Tzortzakis right now - on a chilly streak. Hard to play any animal that cannot even win one time in his last ten races. This jock and conditioner's animals have been producing a positive ROI.

This gelding is in nice condition - ended up strong in last outing. This horse ran a nice one last time out. Eliseo Ruiz and Ruperto A Perez haven't been a winning combination recently.

A nice performance last race out. This gelding was in the place spot in his last, he was easily second though. Have to like that last effort where he finished strong.

Recently, this jockey just doesn't seem to be able to buy a win. Tread lightly - stretch effort just wasn't nearly good enough last time out. Anthony Y Nunez and Gustavo Chacon haven't been an inspiring combo recently.

Trainer Lewis Uriah St has not had much success with this mare (47 starts, 4% wins). Didn't show much intestinal fortitude during the stretch run last time - be cautious with her. This trainer has not produced good gains with entrants moving up in class (50 starts, 2% wins, -96% ROI).

This filly is in fine physical condition, having run a nice race last time out. With a race under her belt, expect an improved performance. This filly should be a good price and has a strong power rating.

This jock and handler's animals have been producing a positive return on investment. May have to pass on this animal - trainer hasn't had the best of luck recently. Hard to play this mare today - rider's winning percentage as of late has been lackluster.

This jockey is on a bit of a cold streak. ⚡ James E Nicholson has sharp numbers with this mare that point to a solid contender. ⚡ May have to let go of this animal - trainer hasn't had the best of luck over the last month.

Trainer Philip T Aristone has this gelding ready to roll. Good team. This gelding faded in the homestretch - not a good omen. This questionable contender didn't finish near the top of the field last race out.
