Last event doesn't encourage much confidence. Faded in the stretch last race out - may do more of the same. Trainer Timothy J Smylie has not had much success with this filly (10 starts, 0% wins).

The combination of Adam Bowman and Susan L Crowell isn't on track lately. Rider doesn't have the best win percent in recent times. This sire's foals win at a strong clip as 1st time starters.

Philip T Aristone has this gelding entered in the ideal competition. Trainer has not produced the best results in this group of contenders with horses dropping in class (22 starts, 9% wins, -79% ROI). Finished in the rear of the field last time - not a great endorsement.

Needs to be considered as Jacinto Solis has been among the top trainers (+108% ROI) with recent claims. Didn't display much courage during the stretch run last time - be cautious with him. Didn't finish in the top half of the field last affair - might have to expect more of the same today.

Silvestre Gonzalez and Ruperto A Perez just haven't been victorious together lately. An on the board effort last time out. This horse coming off a solid contest in the last month or so is definitely live.

Nice return on investment for this rider and trainer tandem. Trainer has produced the most competitive results in this group of contenders (+76% ROI) with entries stretching out for 1st time. This questionable contender didn't finish near the front of the field last race out.

This trainer has done poor over the last month (-100% ROI) with horses claimed. Don't see her as a sure thing after that last clash. Didn't exhibit much willingness during the stretch drive last time - be cautious with her.

This rider/handler combo is not in sync right now - not a high winning percent together. Folded down the lane last time out. This mount didn't finish in the top half of the field last out.

This beautiful animal ran a nice one last out. Anthony Salgado and Jr Howard R Brown haven't been a winning combo recently. Have to place a wager on him if he goes off at high odds with such a strong power rating.

Put forth a nice effort in the last affair. Doesn't fit here based on Scott A Lake's record with freshened horses in recent times (0% wins). This pony will have a tough go today - he just doesn't win very often.
