Can't make big money without betting high odds - worth a stab with such a good power rating. This runner didn't finish near the front of the field in the last race. Tough to bet on a campaigner that loses so frequently.

Could be tough to invest in after that last stretch performance. Don't really like the latest undertaking - in the back of the pack. Hasn't scored a victory recently - not worth it on this horse today.

Last affair was a good effort. Wraps were added in the last race - doesn't bode well for today's event. Back peddled down the stretch last time around the track.

Needs to be considered as Jacinto Solis has been among the top trainers (+108% ROI) with recent claims. Didn't display much courage during the stretch run last time - be cautious with him. Didn't finish in the top half of the field last affair - might have to expect more of the same today.

▲ Nice return on investment for this rider and trainer tandem. ▲ Trainer has produced the most competitive results in this group of contenders (+76% ROI) with entries stretching out for 1st time. ❗ This questionable contender didn't finish near the front of the field last race out.

Tough to bet on this one after the disappointing stretch drive in the last race. Trainer is on a bit of a cold streak - hard to support. Last event doesn't restore much faith.

Tough to play this filly today - conditioner on a down cycle lately. Gamblers beware of this trainer when dropping horses in class (38 starts, 21% wins). Lately, this jock just doesn't seem to be able to buy a win.

Could run better than expected with such a strong power rating - very strong value play. Moises Valdez has not gotten the best out of this filly (11 starts, 9% wins). This filly faded in the stretch - not a positive sign.

This gelding has not run well under David Dotolo's training (4% wins). Tough to figure this animal winning after finishing at the back last time. This pony hasn't won in his last ten chances - he's probably not worth the value today.

His trainer has not done well with horses recently claimed for the first time (-100% ROI). Have to like that latest contest where he ended up strong. This rider/trainer duo has a beneficial return on investment.

Put forth a nice effort in the last affair. Doesn't fit here based on Scott A Lake's record with freshened horses in recent times (0% wins). This pony will have a tough go today - he just doesn't win very often.
