Finished in the back last time - not a ringing endorsement. The addition of wraps in the last race is usually a sign of declining form. Andres Gonzalez hasn't been getting wins when putting Alejandro Medellin aboard a horse.

This jockey/conditioner pair has a strong return on investment together. Good power rating - morning line odds underestimate this mare's possibilities - good price potential. Trainer/Horse combination leaves much to be desired (19 starts, 0% wins, -100% ROI).

Have to be leery with mounts trained by Roberto Fournier right now - on a cold streak. Don't see him as a sure thing after that last clash. May have to pass on this horse - jockey hasn't had the best of luck these days.

⚡Her trainer has not done well with horses moving up the class ladder (33 starts, 9% wins, -27% ROI). ⚡Have to be leery with horses trained by Simon J Buechler right now - on a chilly streak. ⚡Tread lightly - attempt just wasn't enough last race.

This racer coming off a nice contest in the last month is definitely live. This colt wilted down the stretch - not a positive sign. Put forth a nice performance in the last affair.

Won easily last race out. Ran well in last outing, but hasn't had even a morning drill since then. Has a great chance to keep the winning skein alive this time around.

The combination of Kevin Carmona and Justin R Evans isn't on track lately. He doesn't have the winning mental state, tough for him to find it today. Like the fact this gelding is back in a race so quickly.

This gelding should be good odds and has a strong power rating. Recently, this rider and trainer haven't been winning when they combine forces. This mount didn't finish in the top half of the field last time around the track.

Won by a big margin last time out. Tough to play this equine with this handler's lack of recent good luck. Have to like that last outing where she finished strong.

Place a bet on this overlay with one of the best power ratings - probable odds will be right. Erick Medellin hasn't been on a winning streak these days. Tread lightly with this one - connections have been cold when teaming up.

Can't make a habit of betting on horses that rarely win. This rider/conditioner combo is off kilter right now - not a high winning percent together. Tough to figure this animal winning after finishing near the back of the pack last time.

⚡Luis A Valenzuela and Jeff D Hudson just haven't been winning together lately. ⚡The stretch performance in the last event leaves much to be wished for. ⚡Tough to figure this horse winning after finishing at the back of the pack last time.

The expected odds make this one a nice wager with such a strong power rating. Last event doesn't encourage much confidence. Folded in the stretch drive last out.
