With Jose Rodriguez atop this equine, may have to pass on this gelding. Trainer has had a hard time winning races lately. Tread lightly - stretch effort just wasn't strong enough last race.

Don't see him as a sure thing after that last affair. When Karlo Lopez and Gabriel A Silva partner up - the return on investment has been fantastic. Hard to play any horse that can't even win one time in his last ten races.

Has a high power rating and should go off at a playable price - take a chance. Conditioner hasn't had the top winning percentage as of late - have to pass up. Hard to figure this horse winning after finishing in the back of the pack last time.

This jock and trainer's animals have been producing a positive ROI. Tough to invest in this one after the disappointing stretch drive in the last event. Can't win big without betting price horses - worth a stab with such a good power rating.

This animal's conditioner hasn't been winning often lately. Nice race last time, but the fact that there are no workouts since has to make one leery. This racer didn't finish near the front of the field in the last race.

Have to be leery with entries trained by Shelly Crowe right now - on a cold streak. Hard to play this gelding today - jockey's win percentage as of late has been lackluster. Tread lightly with this one - connections have been not in sync when teaming up.
