Luis Alberto Batista should put some big cash in your pocket with this equine and his power rating. Tread lightly - try just wasn't good enough last race. Trainer hasn't had the highest winning percentage lately - have to give a pass.

Difficult to figure this one winning after finishing near the back of the pack last time. Tough to play this mare today - conditioner on a down cycle within the recent past. This jock/trainer duo has been producing a very lucrative ROI.

Trainer's recent ROI information (+6%) with this mare make a decent bet. Edgar Paucar's ROI with this horse (+125% ROI) automatically make them a solid contender. Conditioner is on a losing streak - hard to stand behind.

Tough to play this gelding today - handler on a down cycle recently. Trainer/Horse combination leaves much to be desired (23 starts, 9% wins, -51% ROI). A nice effort in the last race.

A nice performance last race out. Tough to support any entrant that runs as well as he did, then lays up and doesn't workout.

▲ Definitely a value bet with such a good power rating - could payoff big. ☹️ This was a fit horse, but now this one hasn't been doing anything in the morning. ☹️ Have to be worried that this less than stellar equine added front bandages last out.

Jareth Loveberry's ROI with this horse (+25% ROI) automatically make them a very stong contender. Hot pony keeps the victory train rolling. Larry Rivelli has strong numbers with this mare that point to a solid contender.

Mark this gelding a win candidate - he comes off a strong effort. Jockey and handler haven't had much recent good fortune together. Conditioner has had a tough time winning races within the recent past.

This gelding is in nice form, having run a good race last time out. Good power rating - given odds underestimate this gelding's probabilities - looks like an overlay. Last race doesn't encourage much confidence.

Have to like that latest race where he ran strong. Don't like the plain fact that front bandages were a new feature last race.

Didn't exhibit enough grit in the stretch last time. Hard to play any animal that can't even triumph one time in his last ten races. Trainer hasn't had the greatest win percent lately - have to skip.

Trainer is on a bit of a cold streak - hard to encourage. Finished in the rear of the field last time - not a ringing endorsement. Class droppers out of this trainer's barn have not produced good dividends (-75% ROI).

This gelding should be good odds and has a strong power rating. Just not a great bet - conditioner not winning many races over the last month. This is a racer that just doesn't win - can't play him.

Figuring this fine animal to run a good one this time around. Have to be leery with horses trained by Marco Ibarra right now - on a chilly streak. Tough to figure this one winning after finishing at the back of the pack last time.

Finished in the back last time - not a great endorsement. His trainer has not done well with horses moving up the class ladder (68 starts, 6% wins, -66% ROI). This gelding faltered in the stretch - not a good omen.

Wilted in the home stretch last time out. This trainer has not produced good dividends with entrants moving up in class (33 starts, 0% wins, -100% ROI). Finished in the back half of the field last time - not a terrific sign.

⚡Tough to play this animal with this trainer's lack of recent success. 🐎Andrew Tumblin has recorded very solid returns with horses moving down in class (26 starts, 27% wins, +42% ROI). 🐾The stretch try in the last race leaves much unanswered.

 With an initial outing under his belt, expect an improved performance. This trainer has horses that have consistently produced decent board hit percentages when moving down in class (28% wins). Just not worth playing - conditioner not winning many races recently.
