Was rock solid last race. Bet on this angle - coming back off a good outing within the last 30 days. Kevin Carmona and Bernadette Barrios just haven't clicked together recently.

Didn't display enough fighting spirit in the lane last time. Didn't finish near the front of the field last affair - might have to expect more of the same today.

Can't make big money without betting high odds - worth a shot with such a good power rating. Finished in the second half of the field last time - not a great sign. Rider and handler haven't had much recent good luck together.

This jockey/conditioner pair has a strong return on investment together. Good power rating - morning line odds underestimate this mare's possibilities - good price potential. Trainer/Horse combination leaves much to be desired (19 starts, 0% wins, -100% ROI).

This gelding is in fine form, having run a nice race last time out. Arthur Ray Lucero hasn't been victorious when putting Jose L Torres in the saddle. This equine's handler hasn't been getting victories often recently.

Live long shot - the public may miss out on this animal, ranked well on power rating. This less than stellar equine didn't finish near the front of the field last out. Went backward down the stretch last time around the track.

The combination of Kevin Carmona and Justin R Evans isn't on track lately. He doesn't have the winning mental state, tough for him to find it today. Like the fact this gelding is back in a race so quickly.

Place a bet on this overlay with one of the best power ratings - probable odds will be right. Erick Medellin hasn't been on a winning streak these days. Tread lightly with this one - connections have been cold when teaming up.

Rider hasn't had the top winning percent as of late - may have to pass up. Recently, this rider and conditioner haven't been winning when they get together. This gelding is in good condition - ran strong in last outing.

▲The stretch try in the last race leaves much to be wished for. Last race doesn't restore much confidence. Bernadette Barrios hasn't been winning when putting Kevin Carmona up aboard.

▲Luis A Valenzuela and Jeff D Hudson just haven't been winning together lately. The stretch performance in the last event leaves much to be wished for. Tough to figure this horse winning after finishing at the back of the pack last time.
