Form is somewhat in question after the addition of front wraps in the last contest. Could be tough to invest in after that last stretch performance. Zachary Quezada isn't on a winning streak as of late.

⚠️This jockey/conditioner pair has a strong return on investment together. ⚠️Good power rating - morning line odds underestimate this mare's possibilities - good price potential. ⚠️Trainer/Horse combination leaves much to be desired (19 starts, 0% wins, -100% ROI).

 ☹Have to be leery with mounts trained by Roberto Fournier right now - on a cold streak. ☹Don't see him as a sure thing after that last clash. ☹May have to pass on this horse - jockey hasn't had the best of luck these days.

Don't see her as a sure thing after that last affair. The combination of Christian Ramos and Simon J Buechler isn't on track lately. Trainer/Horse combination leaves much to be desired (11 starts, 9% wins, -75% ROI).

Was steady last out. This gelding faded in the homestretch - not a positive signal. Give this gelding a fair chance - ran a sharp contest last time around the track within a month.

Place a bet on this overlay with one of the best power ratings - probable odds will be right. Erick Medellin hasn't been on a winning streak these days. Tread lightly with this one - connections have been cold when teaming up.

Can't make a habit of betting on horses that rarely win. This rider/conditioner combo is off kilter right now - not a high winning percent together. Tough to figure this animal winning after finishing near the back of the pack last time.

Last race was a solid effort. Just not worth it - handler not winning many races within the recent past. This gelding has not run well under Simon J Buechler's training (0% wins).

Went backward down the lane last time around the track. Don't really like the recent effort - in the back of the pack. This trainer has horses that have consistently produced formidable board hit percentages when moving down in class (35% wins).
