This rider and handler's horses have been generating a positive ROI. This runner hasn't won in her last ten attempts - she's probably not worth the value today. Trainer Joseph M Poole has not had much success with this mare (15 starts, 7% wins).

Tough to play this gelding today - handler on a down cycle recently. Trainer/Horse combination leaves much to be desired (23 starts, 9% wins, -51% ROI). A nice effort in the last race.

Have to make this gelding a strong challenger - he comes off a sharp contest. This jockey/conditioner pair has a beneficial ROI. Last out this mount put forth a fine performance.

Difficult to figure this horse winning after finishing in the rear last time. Class droppers out of this trainer's barn have not produced the best gains in this group of animals (35 starts, 6% wins, -65% ROI). Can't make a habit of betting on ponies that rarely win.

Definitely a value bet with such a good power rating - could payoff big. This was a fit horse, but now this one hasn't been doing anything in the morning. Have to be worried that this less than stellar equine added front bandages last out.

This gelding is in nice form, having run a good race last time out. Good power rating - given odds underestimate this gelding's probabilities - looks like an overlay. Last race doesn't encourage much confidence.

Figuring this fine animal to run a good one this time around. Have to be leery with horses trained by Marco Ibarra right now - on a chilly streak. Tough to figure this one winning after finishing at the back of the pack last time.

⚡Tough to play this animal with this trainer's lack of recent success. 🐾Andrew Tumblin has recorded very solid returns with horses moving down in class (26 starts, 27% wins, +42% ROI). 🐾The stretch try in the last race leaves much unanswered.

Looked good last time, but no morning drills since is a bit troublesome. Yan Aviles and Ivan Calderon perform well when they work together - strong ROI together. Put forth a strong performance in the last event.

You shouldn't overlook this gelding in your wagers; very dangerous with Luis Alberto Batista aboard (6 starts, 50% wins). Luis Alberto Batista will put some money in your pocket with this horse and his power rating. Didn't finish in the top half of the field last event - might have to expect more of the same.
