With Jose Rodriguez atop this equine, may have to pass on this gelding. Trainer has had a hard time winning races lately. Tread lightly - stretch effort just wasn't strong enough last race.

Always love to make a play on any entrant with a top power rating at a good price. Tread lightly - stretch effort just wasn't really enough last out. Lately, this rider and handler haven't been winning when they team up.

Recently, this rider and trainer haven't been winning when they team up. Hard to wager on Kiaman McGregor right now - not enough scores recently. Just not worth betting - trainer not winning many races within the recent past.

Don't see him as a sure thing after that last affair. When Karlo Lopez and Gabriel A Silva partner up - the return on investment has been fantastic. Hard to play any horse that can't even win one time in his last ten races.

This jock and trainer's animals have been producing a positive ROI. Tough to invest in this one after the disappointing stretch drive in the last event. Can't win big without betting price horses - worth a stab with such a good power rating.

This animal's conditioner hasn't been winning often lately. Nice race last time, but the fact that there are no workouts since has to make one leery. This racer didn't finish near the front of the field in the last race.

⚠️ Don't overlook this mare in your prime wagers as Robert A Bean knows how to get this horse ready. ⚠️ May have to pass on this one - trainer hasn't had the best of luck within the recent past. ⚠️ A good effort last out.

Many positive 'vibes' associated with this horse and his barn. Turf starters by this Sire have not shown good profits (9% wins -64% ROI). Finished in the back half of the field last time - not a promising effort.

Hasn't scored a victory recently - not worth it on this animal today. Don't really like the most recent undertaking - in the back of the pack. Trainer/Horse combination leaves much to be desired (57 starts, 7% wins, -71% ROI).

Have to be leery with entries trained by Shelly Crowe right now - on a cold streak. Hard to play this gelding today - jockey's win percentage as of late has been lackluster. Tread lightly with this one - connections have been not in sync when teaming up.
